

Tuesday 14th April

FLORENCE MELLY COMMUNITY PRIMARY SCHOOL HOME LEARNING CHALLENGES!

KEEPING YOU ENTERTAINED WHILE OUR SCHOOL IS CLOSED!

STAY AT HOME

PROTECT THE NHS

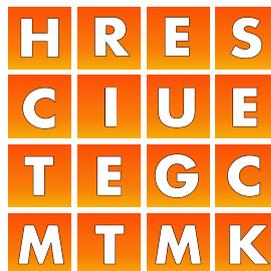

save lives

Firstly, we hope that you had a lovely Easter weekend and didn't eat too many Easter eggs! Welcome to the fourth edition of our 'Home Learning Challenges' - designed to support parents/carers with the daunting task of home learning and entertaining our phenomenal pupils whilst our school is shut due to the COVID-19 pandemic! Every few days we will be posting a new set of challenges, designed for pupils of all ages to enjoy! Thank you for your continued support!

Challenge 1 - Boggle Word Search!

The rules are simple...You have to find as many words as possible on the grid. You can move from one letter to another if it is a neighbour (in all directions). You cannot use a letter more than once in a word. You get points for each word - a point per letter - the more letters the better! You have 60 seconds...on your marks, get set...GO! Why don't you share your best words with us? Additional Boggle grids have been posted on our Twitter feed for you to enjoy!

If you haven't already, please check out Maddie Moate's Youtube channel and her magnificent 'Let's Go Live Science Lessons' - they are a real treat! The broadcasts start at 11:00am daily and this week is Dino Week where viewers will be excavating and exploring the humongous world of DINOSAURS! <https://www.youtube.com/user/maddiemoate>

Challenge 2 - The Leakproof Bag

Here's the next instalment from the superb @MrsBpriSTEM who posts daily science experiments and activities for the whole family to enjoy on Twitter. This time, it's all about the 'Leakproof Bag' - an activity where science meets magic! How many pencils can you push through before it starts to leak? Head over to our Twitter feed for the full instructions! Don't forget, make sure you post your attempts for us to enjoy! Fingers crossed they don't leak!

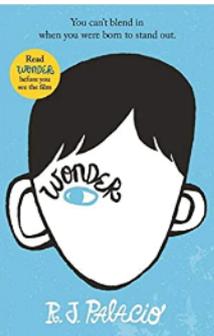

Challenge 3 - Make an Obstacle Course in the Garden

This challenge comes courtesy of our very own Mrs Woodhouse - who created an obstacle course in her garden for her children to enjoy. What a great way to keep the children entertained and get them active at the same time! For some brilliant obstacle course ideas, please visit this superb website: <https://www.mykidstime.com/things-to-do/get-active-fun-obstacle-course-ideas-kids/>

Challenge 4 - Flags of the World

A special shout out to Mr Derbyshire (our Geography Lead) for challenging you all to see how many of the flags of the 197 countries in the world do you know? Let's see who will score the highest! Post your score on our Twitter feed! <https://www.jetpunk.com/quizzes/flags-of-the-world-quiz>

What are you reading at the moment? Why don't you send us a photo of you reading your latest book! Mr Leach is reading **'Wonder' by R.J. Palacio** and he is really enjoying it! He thinks it best suited to children in Upper KS2. We recommend reading as much as you can while our school is closed but if you haven't got access to any books, then why not visit Audible where you can instantly stream an incredible collection of stories to listen to, including titles across six different languages. All stories are free to stream on your desktop, laptop, phone or tablet - for as long as schools are closed. Explore the collection, select a title and start listening. Enjoy... <https://stories.audible.com/start-listen>

Positive Mental Health with Headspace

If you haven't already, please check out **Mr Doyle's Mental Health and Well-Being Support Resource** - the Headspace app in particular! Headspace are offering free support during the current global crisis: <https://www.headspace.com>

TOP WEBSITE TIP!

This editions top site is... authorfy.com and their 10 minute challenges in particular. Authorfy brings readers and writers closer together through interactive video masterclasses, fun downloadable activities, and exciting after-school club resources. For a daily dose of creativity and fun, check out their '10 Minute Challenges', which are set by bestselling authors and illustrators - they add a new challenge to this page every single day! For more author videos and free resources, check out their 'classroom' page: <https://authorfy.com/masterclasses/>

Please follow us on Twitter!

Please send us photos and videos of your children completing these 'Home Learning Challenges'. We love to connect and interact with our parents and pupils - we miss you all so much!
