### DAILY MATHS ACTIVITIES

Over the next weeks we will be starting to look at addition and subtraction using a variety of different methods.

**Today** - we will be focussing on adding 3 one digit numbers and where possible use your knowledge of [number bonds to 10](#) or [doubles](#) to help you.

[Challenge cards](#)

Write your answers in your home learning book and please upload photos.

### THE WIDER CURRICULUM

**Science - Let's investigate**

This term we are going to investigate why it is important to recycle our waste.  
Please watch this Youtube video all about [recycling](#)

Look around your home and discuss the different things that can be recycled.

Is there anything you would recycle that you don't normally recycle?

### LOOKING AFTER YOURSELF!

Go for a walk in the park.  
Make sure you observe what you can see, hear, smell, touch and feel as this will help you in english later on in the week.

. Take some pictures and share them with us on class dojo and twitter.

### GET CREATIVE!
