DAILY LITERACY ACTIVITIES

Miss Latta's and Miss Doyle's gingerbread men have escaped! See class dojo for the video! Tomorrow we will be making missing posters to help find our missing gingerbread men! Look at the video of the gingerbread men escaping, can you create a list of adjectives to describe the gingerbread men to help us create our posters tomorrow! Remember an adjective is a describing word. Draw around your hand and write an adjective on each finger for example, big, fast, sneaky. Remember to write down the sounds you can hear in each word!

DAILY MATHS ACTIVITIES

This week in maths we are focusing on comparing mass (weight and size). For today's challenge we would like you to go on a hunt around your home and identify the weight of different items. This can be anything for example; a teddy, fruit, clothing etc. Can you tell us if the item is heavy or light?

We would love for you to record your findings and send them into us for example you might like to split your page into two and have two headings- Heavy and Light. You can then draw the items under the correct title.
