DAILY MATHS ACTIVITIES

Double check that you have completed each Maths task for this week.

Have you posted work each day to correspond with your Maths tasks? Login to **Mathletics** and **Times Tables Rock Stars**.

Time for your adults to put their feet up for a bit!

THE WIDER CURRICULUM

Religious Education: in recognition of World Religions Day our school are learning about different religions and each religion's similarities and differences. Look at **this** lovely resource which will educate your child to respect one another, highlighting the importance of valuing diversity.

LOOKING AFTER YOURSELF!

Share photographs with your teachers of you all having some well earned down time after working so hard all week. You have put in outstanding efforts and deserve a rest!

GET CREATIVE!

Check out **this** information about the artist Vincent Van Gough. Afterwards can you use your recycled materials to make a collage of his 'Sunflowers' portrait?

SPELLINGS AND TABLES

Remember that practise makes perfect! Can you send a video of your child reading their tricky words out?
