THE WIDER CURRICULUM

Personal, social and emotional Development

Talk with your families about how the boiling pot of water in the 'Three Little Pigs' story was potentially very dangerous. Talk about how when filling a bath, cold water should always be put in first. Become aware that an adult should always be with you when you are having a bath and when a bath is running. Only adults can run the hot water tap!

Challenge

Share this important information to a family member.
