## EYFS REMOTE EDUCATION ACTIVITIES

### IF YOU CAN DREAM IT, YOU CAN DO IT!

Reception Daily Learning

Thursday 11th February 2021

Whole School Theme: Languages of Liverpool

## DAILY LITERACY ACTIVITIES

We have been focusing on our new story 'The Three Billy Goats Gruff'.

Last week, Miss Latta used some different small world objects to re-tell the story. Have a little look at it again [here](#). You then sent in your fantastic stories to class dojo.

Today your task is to create a brand new ending for our story The Three Billy Goats Gruff. Maybe the troll doesn't get pushed off the bridge at the end and decides to be friends with the goats? Or maybe the goats set a trap to catch the troll? We can't wait to hear and see your ideas!

## DAILY MATHS ACTIVITIES

### Combining two groups

This week we have been learning how to combine two groups using a ten frame. Today we are learning about adding on. [Click here](#) for today's maths task!

If you are feeling like a maths superstar today (which I know you all are), have a go at our maths **challenge!**

## THE WIDER CURRICULUM

### Understanding the World

This week we have been focusing on Chinese New Year traditions and culture. Have a listen to Miss Doyle reading the [Chinese New Year Story](#).

Today we are going to get creative and have a go at creating some of the animals from our Chinese New Year story. You might want to create the animal that represents the year that you were born in or maybe a fire breathing dragon or lantern? Take a look at these ideas.

## LOOKING AFTER YOURSELF!

After a very busy day completing your remote learning challenges, relax with some brain breaks, just like we do at quiet time in class.

[Click here to choose one today.](#)

## GET CREATIVE!

This week we have been learning the story 'Three Billy Goats Gruff'. Can you create your own troll puppet or junk model? You can use any resources that you wish. Remember the adjectives that describe our troll; big, scary, grumpy, tall.

## RHYME TIME!

### Rhyme of the Week

Check out our rhyme of the week this week [1,2, Buckle My Shoe.](#)

Have a little think about how it links in with our maths focus this week.

## UP FOR THE CHALLENGE?

### Growing Green Grass Science Experiment

This week we will become scientists and will conduct our very own science investigation, have a look here.
