

FLORENCE MELLY COMMUNITY PRIMARY SCHOOL

EYFS REMOTE EDUCATION ACTIVITIES

IF YOU CAN DREAM IT, YOU CAN DO IT!

Reception Daily Learning

Friday 12th February 2021

Happy
FRIDAY

Whole School Theme: Languages of Liverpool

DAILY LITERACY ACTIVITIES

Communication and Language/ PSED

This term we have focused on our traditional tales and have completed lots of fabulous tasks in all our areas of learning.

Today we want you to pick a piece of work that you are most proud of from this term. It could be literacy, maths, something creative or something different and tell us about why you have chosen that particular piece and why it makes you feel proud.

DAILY MATHS ACTIVITIES

Combining two groups and adding on

This week we have been learning all about how to combine two groups using a ten frame and then adding on.

To finish off the week and show off your skills- play this fun game with someone in your family and see who wins!

[Click here to play!](#)

THE WIDER CURRICULUM

For Feel Good Friday, we want you to pick your favourite sport, it could be; football, basketball, tennis, dancing or gymnastics and enjoy some time playing it today. Physical activity and doing an activity that we love is so important for our mental health. Enjoy some time today doing something that gets you moving and makes you feel good!

LOOKING AFTER YOURSELF!

After a very busy day completing your remote learning challenges, relax with some brain breaks, just like we do at quiet time in class.

[Click here to choose one today.](#)

GET CREATIVE!

This week we have been learning the story 'Three Billy Goats Gruff'. Can you create your own troll puppet or junk model? You can use any resources that you wish.

Remember the adjectives that describe our troll; big, scary, grumpy, tall.

RHYME TIME!

Rhyme of the Week

Check out our rhyme of the week this week
[1,2, Buckle My Shoe.](#)

Have a little think about how it links in with our maths focus this week.

UP FOR THE CHALLENGE?

Growing Green Grass Science Experiment

This week we will become scientists and will conduct our very own science investigation, have a look here.

[Science Experiment](#)
What type of grass do you think the goats in our story would like to eat?
