

# FLORENCE MELLY COMMUNITY PRIMARY SCHOOL

## REMOTE LEARNING ACTIVITIES

IF YOU CAN DREAM IT, YOU CAN DO IT!

**Year Group: 3**

**Date: Thursday 25th February 2021**

**Whole-school theme:**

### DAILY ENGLISH ACTIVITIES

**L.O: to prepare a set of instructions**

**Lesson powerpoint**

What do you know so far about instructions? Go through the activities on the powerpoint. Use your rules for instructions that you made yesterday and write a set of instructions for making a jam sandwich.

Share you instructions to the class dojo!

### DAILY MATHS ACTIVITIES

**L.O: to identify angles in 2D shapes**

Starter activity - [Clockwise Anticlockwise Video lesson](#)

What have you learnt so far about angles? Today, you are going to be looking at some 2D shapes and identifying the angles inside them. Watch the video lesson and then choose an activity sheet below to complete.

- [2 star](#)
- [1 star](#)

### THE WIDER CURRICULUM

**History**

**L.O: Design a Stone Age information poster**

[Horrible Histories](#)

Watch the Horrible Histories videos all about the Stone Age.

Next, design a poster or a leaflet to tell others all about the Stone Age!

### LOOKING AFTER YOURSELF!

**5 Minute Moves!**  
**PE at home**

Try these 5 minute moves to get your bodies moving!

### GET CREATIVE!

Share your vision for a fair world by designing a poster or a poem for the 'Choose the world you want' festival!  
[Click here!](#)

**CHOOSE THE WORLD YOU WANT**

### SPELLINGS AND TABLES

Play the suffix sort game.  
[Suffix sort](#)

Try the new battle with 3M!

### UP FOR THE CHALLENGE?

Shopping investigation  
How many fairtrade products can you find in the supermarket? If you are not able to visit the shops then maybe you could search for fairtrade products on the internet. How many can you find?
