DAILY MATHS ACTIVITIES

We are learning all about 3D shapes. For today's challenge we would like you to create your own 3D shape monster to learn all about 3D shapes with you!

When building your monster think about the different 3D shapes you are using and where you position them on your monster.

THE WIDER CURRICULUM

Our new topic is 'To Infinity and Beyond' this term we will be learning all about space!

Our focus story is 'Whatever Next' by Jill Murphy.

[Click here to listen to the story.](#)

Discussion points for the story:

- Where did Baby Bear want to go?
- What did Baby Bear do on the moon?
- - How did Baby Bear get back home?
- - What did Baby Bear use as a rocket?

LOOKING AFTER YOURSELF!

Healthy Living

It is very important that we look after ourselves and stay healthy! [Click here to learn all about keeping fit and healthy.](#)

What healthy foods do you enjoy to eat?

On Friday we will be having a zoom teddy bears picnic! You are all invited to join us with your favourite teddy bear and a plate of healthy food. We cannot wait to see you all!

GET CREATIVE!

This week we are going to create our own healthy fruit rockets! Pick your favourite fruits and create your own rocket. You might want to bring it to our zoom picnic!

RHYME TIME!

Rhyme of the Week

[Click here for our rhyme of the week '5 Little Men in a Flying Saucer.'](#)

What happens to the amount each time one man flies away?

UP FOR THE CHALLENGE?

Star gazing

Can you create your own binoculars and go star gazing? We cannot wait to hear about your wonderful star gazing experiences!
