DAILY MATHS ACTIVITIES

One more/ One Less

This week we have been learning all about the numbers 6, 7 and 8. Today we are going to look at finding one more and one less. Make sure you have your 'spy eyes' on ready for today's challenges!

THE WIDER CURRICULUM

Feel Good Friday

We were super impressed with all the fantastic words you came up with to describe yourselves!

Have a look at our very own Reception video and see the different words your friends used to describe themselves!

You might want to even dance along!

LOOKING AFTER YOURSELF!

Create your own glitter jar

When you are feeling sad, mad or you need a break give this jar a gentle shake. Take deep breaths as you watch the glitter fall, it will help you calm down: brain, body and all. When you need to calm down it's a helpful tool. Use it a few times till you are feeling better and cool!

GET CREATIVE!

We love singing nursery rhymes together in class! For this weeks creative challenge choose your favourite farm animal and create your own puppet to sing along to our rhyme of the week ☺

RHYME TIME!

Rhyme of the Week

[Click here for our rhyme of the week 'Old Mcdonald.'](#)

Have a go at learning the rhyme and performing it to your family members using your puppet.

UP FOR THE CHALLENGE?

In reception we LOVE to read and tell stories! This week is national story telling week. Your challenge is to read/tell a story in a crazy place e.g. on your trampoline, in your bath tub, under your dining table etc. **Keep your eyes peeled on class story to see all the strange places your teachers read their stories!**
