## DAILY LITERACY ACTIVITIES

Today we are starting our new story 'The Three Billy Goats Gruff.'

We are looking forward to seeing all the different ways you represent 7 on your domino.

Challenge- Send us a video explaining your reasoning e.g. I know it is 7 because I can see 4 and 3. I know 7 can be made from smaller numbers – 2 and 5.

## THE WIDER CURRICULUM

### **PSED**

Yesterday we read the story 'The Colour Monster'. Can you remember the different colour monsters and how they were feeling? Today we would like you to create your own colour monster to show us how you are feeling and why.

Keep an eye on class story we will be starting every morning with a positive affirmation ☺

## LOOKING AFTER YOURSELF!

### Create your own glitter jar

When you are feeling sad, mad or you need a break give this jar a gentle shake. Take deep breaths as you watch the glitter fall, it will help you calm down: brain, body and all. When you need to calm down it's a helpful tool. Use it a few times till you are feeling better and cool!
