DAILY MATHS ACTIVITIES

Today we are learning all about the number 6!

See the PowerPoint below for today's challenges.

[Number 6 PowerPoint](#)

We are looking forward to seeing all the different ways you represent 6 on your number 6 hunt! Don't forget to send us your pictures/videos showing us what you found to receive your marvellous maths dojo points!

THE WIDER CURRICULUM

PSED

This week is children's mental health week. Enjoy today's story (it is one of our favourites!) 'The Colour Monster'. The story helps children explore a range of different feelings and emotions while gaining an understanding that others have feelings too.

[Click here to view today's story.](#)

Keep an eye on class story we will be starting every morning with a positive affirmation 😊

LOOKING AFTER YOURSELF!

Create your own glitter jar

When you are feeling sad, mad or you need a break give this jar a gentle shake. Take deep breaths as you watch the glitter fall, it will help you calm down: brain, body and all. When you need to calm down it's a helpful tool. Use it a few times till you are feeling better and cool!

[Click here to create your own glitter jar.](#)

GET CREATIVE!

We love singing nursery rhymes together in class! For this weeks creative challenge choose your favourite farm animal and create your own puppet to sing along to our rhyme of the week 😊

RHYME TIME!

Rhyme of the Week

[Click here for our rhyme of the week 'Old Mcdonald.'](#)

Have a go at learning the rhyme and performing it to your family members using your puppet.

UP FOR THE CHALLENGE?

In reception we LOVE to read and tell stories! This week is national story telling week. Your challenge is to read/tell a story in a crazy place e.g. on your trampoline, in your bath tub, under your dining table etc. **Keep your eyes peeled on class story to see all the strange places your teachers read their stories!**
