

# FLORENCE MELLY COMMUNITY PRIMARY SCHOOL

## EYES REMOTE EDUCATION ACTIVITIES

### IF YOU CAN DREAM IT, YOU CAN DO IT!

Reception Daily Learning

Wednesday 3<sup>rd</sup> February 2021

## DAILY LITERACY ACTIVITIES

Yesterday we read the story 'The Three Billy Goats Gruff'. For today's challenge we would like you to retell the story. In school we love using our imagination and using different objects to represent different things e.g. a pebble as an animal. Can you have a go at retelling the story using different objects from your home to represent the characters and setting? See class story to listen to Miss Latta retell the story and to find out what she used for her characters!

Remember to use different voices/ expression for each character. You might use a deep grumpy voice for the troll.

## DAILY MATHS ACTIVITIES

Today we are learning all about the number 8!

[Number 8 PowerPoint](#)

We are looking forward to seeing all the different ways you represent the number 8.

Challenge- Send us a video explaining your reasoning e.g. I know it is 8 because I can see 4 and 4. I know 8 can be made from smaller numbers – 2 and 6.

## THE WIDER CURRICULUM

### Create your own well-being jar

Having something to look forward to can make you feel happier and improve your well-being. For today's challenge you are going to create your own well-being jar! The well-being jar will be filled with all fun things you want to do in the future. This may include visiting your friends, going to the cinemas or taking a trip to the farm! You can continue to add to your jar each time you think of something you would like to do.

[Click here for wellbeing jar instructions.](#)

## LOOKING AFTER YOURSELF!

### Create your own glitter jar

When you are feeling sad, mad or you need a break give this jar a gentle shake. Take deep breaths as you watch the glitter fall, it will help you calm down: brain, body and all. When you need to calm down it's a helpful tool. Use it a few times till you are feeling better and cool!

[Click here to create your own glitter jar.](#)

## GET CREATIVE!

We love singing nursery rhymes together in class! For this weeks creative challenge choose your favourite farm animal and create your own puppet to sing along to our rhyme of the week ☺

## RHYME TIME!

### Rhyme of the Week

[Click here for our rhyme of the week 'Old Mcdonald.'](#)

Have a go at learning the rhyme and performing it to your family members using your puppet.

## UP FOR THE CHALLENGE?

In reception we LOVE to read and tell stories! This week is national story telling week. Your challenge is to read/tell a story in a crazy place e.g. on your trampoline, in your bath tub, under your dining table etc.

**Keep your eyes peeled on class story to see all the strange places your teachers read their stories!**
