**FEEL GOOD FRIDAY!**

### DAILY ENGLISH ACTIVITIES

This week we will be cooking with **Top Secret Chef Theo**. Please cook along with us. Here is the [Recipe](#), [Youtube](#) clip and [Theo's](#) video to help you.

### DAILY MATHS ACTIVITIES

#### Number hunt

Go on a number hunt around the house. Write down all the numbers you find.

Can you make your own subtraction calculations from the numbers you have found from around the house?

### THE WIDER CURRICULUM

#### Bubble Painting

Add two tablespoons of bubble solution and two tablespoons of paint to a cup. Dip the straw or bubble wand into the bubble paint and blow onto the paper.

### LOOKING AFTER YOURSELF!

Why not get out and about and enjoy some fresh air...

### GET CREATIVE!

#### Growing Rainbow Experiment

- You need:
  - washable marker pens
  - absorbent paper towel
  - two small pots with water.

#### Instructions

1. Fold over a piece of towel, so you have two pieces on top of each other.
2. Rainbow colour each end of the paper.
3. Gently place each end into the water. It should only just touch, don't submerge.
4. Watch both ends meet in the middle; watch your rainbow grow!

### SPELLINGS AND TABLES

Try solving these [anagrams](#) to make your spellings this week.
