At Florence Melly Community Primary, we are committed to providing inspirational and innovative teaching and the highest quality learning experiences for all our pupils. We aim to create an environment which promotes a love of learning and empowers our children to become independent, lifelong learners. Our children are the 'jewels in our crown' and we ensure every child is valued and encouraged to achieve their full potential. We strive for academic excellence and want our children to have the highest aspirations. We want them to have no limits to what their ambitions are and want them to embody our core values. We all believe that: "if you can DREAM it, you can do it".

We encourage our children to celebrate success and build on disappointment in order to develop resilience. We want to equip them with not only the minimum statutory requirements of the National Curriculum but to prepare them for the opportunities, responsibilities and experiences of later life. We want our children to use the vibrancy of our great city to learn from other cultures, respect diversity, co-operate with one another and appreciate what they have. We achieve this by providing a strong SMSC curriculum, with British Values and our core values placed at the heart of everything we do. We enrich their time in our school with memorable, unforgettable experiences and provide opportunities which are normally out of reach. We firmly believe that it is not just about what happens in the classroom, it is about the added value we offer to really inspire our children.
