

THE FLO MELLY CLASS OF 2024!

This week, we celebrated the achievements of our current Year 6 as they started to prepare for their journey to secondary school. In the morning, the class of 2024 attended our traditional cap and gown ceremony, and had the honour of 'graduating' Year 6. With a hall packed to the brim, the children spoke about their achievements and memories over their last seven years with us. Then, there wasn't a dry eye in the house (not even with our staff) when the baby pictures came out! The children were exceptional and we are very proud of what they have accomplished! As the evening drew in, it was party time with the annual Year 6 Prom! The children enjoyed hours of laughs, dancing and fun times in a beautifully decorated marquee. There was plenty of food to go round with non-stop hot-dogs, snow cones, waffles and a sweet cart; it was certainly a night to remember and the perfect way to mark the end of their time at our school.

Attend School, Arrive On Time, Every Day!

As part of our insatiable drive to improve attendance, this week pupils were treated to an extra special trip out to celebrate their AMAZING attendance! They were whisked off to West Kirby beach where they enjoyed ice-creams, chips and fun in the sand! Earlier today, other pupils and parents/carers were rewarded for their great rates of attendance as they were entered into prize draws for a whole host of vouchers! Check out our Dojo feed for video clips of us drawing the winners!

Year 6 Google Assembly

Year 6 took part in a virtual assembly led by Google, designed to support their transition into secondary school. The message was simple, 'Be an Internet Legend and Step Up'. Newfound independence, meeting new people and discovering new things...these are just a few of the challenges our pupils will face next year and we want to prepare them as best as possible - both online and offline! There are many internet safety skills and behaviours that can help their transition and these were tackled in this informative and interactive assembly.

This Week's Book Recommendation...

This week's book recommendation, [Everything All At Once by Steven Camden](#), has been specially selected for our Year 6 pupils who will be leaving us to move onto their secondary schools next week. An achingly beautiful collection of poems about one week in a secondary school, where everything happens all at once; sharing moments that span everything from hoping to make it to the end of the week, facing it, fitting in, finding friends and falling out, to loving lessons, losing it, worrying, wearing it well and worshipping from afar. In Everything All At Once, Steven Camden's poems speak directly to the children, offering them an insight into life at secondary school!

THE LAST WEEKLY NEWSLETTER OF THE YEAR!

The Great Flo Melly fundraiser!

We are absolutely delighted to announce that we raised a whopping £4714.73 as part of our Great Flo Melly fundraiser! So many of you got involved and raised an amazing amount of money, for an incredible cause. Work on the Charlie Lowe memorial garden will start over the holidays and we plan on spending the remaining money on resources for the children to use outside on the school yard during play times.

I cannot thank you enough for your generosity and support.

Welcome to the Flo Melly Family...Miss Kelly!

I would like to take this opportunity to announce the newest member of our Flo Melly family...Miss Kelly!

Miss Kelly will be joining our team from September and will be teaching in Year 3. For those eagle-eyed parents/carers out there, you'll notice that Miss Kelly has actually been with us for some time now. She has worked as a student teacher alongside Mr Derbyshire. The panel and I were unanimous in our decision to appoint Miss Kelly this week. I am absolutely delighted with the appointment and cannot wait for Miss Kelly to get started!
