

## IN SCHOOL, ON TIME, EVERY DAY!

**This week's key attendance message...**

At Florence Melly, being present each day opens the door to new ideas and shared experiences. Regular attendance helps children stay connected to their learning, build resilience and feel part of the rhythm of school life. This term, we've noticed fantastic commitment—from punctual starts to improved weekly attendance—and we're proud of the effort shown by both pupils and families, especially with the number of bugs and seasonal illnesses going around. Your consistency is helping children feel secure, confident and ready to take on new challenges. We understand that maintaining good attendance isn't always straightforward, and we're here to support you if you need it. If something is making mornings difficult or attendance a concern, please reach out; working together makes a real difference! Let's continue to work collaboratively to encourage positive routines and make the most of every opportunity the school day brings.
